

Staying Alive in the Dark! Night Flying Preparation and Light Sport Aircraft Maintenance

CWU Aviation Professor Dale Wilson and Chief Flight Instructor Andy McIrvine will discuss techniques to prepare for night flying and avoiding a ground incursion. Mike Robertson, FAA Inspector, will discuss maintaining Light Sport Aircraft. Attend and earn credit in the FAA WINGS - Pilot Proficiency Program.

Directions: From I-90, take exit 106 and head north on University Way. Turn left at Reecer Creek Road. Travel 3 miles until Bowers Road intersection. Turn right on Bowers Road and travel 4 miles east until reaching the Midstate Aviation building. Meeting is in the Midstate Aviation conference room.

A message from the National FAASTeam Manager

Start FAASTeam CFI Workshops any time! Find Workshop #6 in SPANS.
